## Help Students Achieve State Licensure and Board Certification with a Single Study Tool

We have the tool for your school! Our refreshed NCBTMB Online Practice Exam will help your students simultaneously prepare for two separate credentials: entry-level state licensure and NCBTMB Board Certification. Your success is our success!

Categorized into two levels, the Online Practice Exam contains **Level 1** questions that will best prepare students for **any** entry-level state licensure exam. **Level 2** questions will best prepare students for the Board Certification Exam.

The Online Practice Exam is the **only** study tool created by NCBTMB for the Board Certification exam and cannot be purchased anywhere else.

**Did you know...** The Online Practice Exam helped students just like yours increase nationwide NCETMB pass rates from 76% to 83%! By providing access to the Online Practice Exam in your classroom, your school will join us in further elevating the knowledge and success of our future therapists.

### With the Online Practice Exam, students will have access to:

- Over 3,000 practice questions custom designed by expert massage therapy leaders.
- Detailed, personalized reports to assess their individual strengths and weaknesses.
- Level 1 questions to prepare for any entry-level massage therapy licensure exam.
- Level 2 questions to prepare for the BCETMB exam.
- Customized options for full-length practice exams or to focus on specialized areas.
